Re: Self-Implementing Cleanup and Disposal Report – 761.61(a)(3)

Dear Ms. Tisa:

The College of the Holy Cross is pleased to present this report, which has been prepared by Cooperstown Environmental, LLC of Andover, MA, to comply with requirements of a self-implementing on-site cleanup and disposal of polychlorinated biphenyl (PCB) remediation waste per 40 CFR Part 761.61(a)(3) and specific to the cleanup of PCB impacted concrete and structures on the campus of The College of the Holy Cross, in Worcester, Massachusetts.

This report documents activities that were conducted at an existing subgrade electrical vault located adjacent to the Fieldhouse Building on the campus.

Please contact me, Richard Gang or Jim Curtis by phone (978) 470-4755 or email at richard@cooperstownenv.com or jim@cooperstownenv.com should you wish to discuss this report further.

Very sincerely yours,
The College of the Holy Cross
